COMMUNICATION

MS PCT
Commissioner for Patents
P.O. Box 1450

Dear Sir:

The above-mentioned application was filed by prior law firm, Burns, Doane, Swecker & Mathis, L.L.P. ("Burns Doane," now part of Buchanan Ingersoll PC) on May 10, 2005 (Int'l file date October 29, 2003). The prior law firm had also filed a Petition to Revive in the present application. This Communication has been filed to request entry of the original filing of November 21, 2005, for which the United States Patent and Trademark Office has misplaced. A copy of the communication and accompanying documents as filed are hereby attached, with a copy of the return receipt postcard as stamped by the office.

The following documents are being resubmitted herewith:

1. Revocation and Power of Attorney with New Power of Attorney and Statement Under 37 C.F.R. 3.73(b), with accompanying documents as filed on November 21, 2005; and
2. Copy of date stamped Return Receipt Postcard as returned from the office.

Docket No.: 400752003100

Applicants respectfully request that the accompanying documents as filed on November 21, 2005 be entered and made of record.

On Friday, February 10, 2005 I spoke with Harry Kim from the PCT Help Desk and he indicated that a Notice of Acceptance (for the Petition to Revive) and Notice of Missing Requirements, dated December 5, 2005 was mailed to Burns Doane and that our filing dated November 21, 2005 was never received. Accordingly, please send us any PTO correspondence pertaining to this application. Burns Doane does not acknowledge receipt of any PTO correspondence pertaining to this application.

Applicants respectfully request a copy of the Notice of Missing Requirement and Notice of Acceptance of Application be provided to our office, post haste by facsimile, directed to the undersigned. Applicants respectfully request the time period be restarted, as our office has not received the original notice to date. Applicants timely filed the appropriate Revocation of Power of Attorney with New Power of Attorney documents prior to the mailing of the Notice of Missing Requirements dated December 5, 2005.

Applicants believe that no fee is due, however in the event the U.S. Patent and Trademark Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. 400752003100. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: February 13, 2006
